A word from Mrs Cooney.....

Grade 3 Camp

Last week I was very lucky to visit our grade 3 camp. It was wonderful to see our students in an outdoor environment enthusiastically participating in adventure activities outside of the normal program provided at school.

Students had the opportunity to challenge themselves on the flying fox and giant swing, make damper over an open fire, and participate in archery and orienteering.

They were certainly enjoying their first school camping experience.

The work that goes on behind the scenes to organise a camp and the 24 hour supervision while at camp is a big commitment for our staff and parents and I would like to sincerely thank; Mrs. Leditschke, Mr. Moedt, Miss. Lunn, Mrs Warren, Trent and Tania for their work.

Naplan Results

This week we have received our Naplan results. Grade 3 and 5 children will have their individual results sent home next week. If you would like to discuss the results with your child's teacher please contact them to make a suitable time.

Student Attitude to School Survey

We have also recently received our student attitude to school survey results. Our results have shown a fantastic increase in most areas. In our continuing quest to always improve we have identified some actions we can take to continue growing and will be seeking further feedback from students.

Footy Colour Day

As footy finals season hots up we will be holding a Footy colours Day on Friday 20th September. Students can come dressed in their favourite footy team colours (or another favourite sport). Weather permitting, we will be holding a footy colours parade on the basketball court at 9am. The canteen will also be offering a special hot dog lunch on this day.

Seymour One Act Play Festival

This weekend some of our wonderful grade 5/6 students are performing at the Seymour One Act Play Festival on Saturday. The festival is being held at the Seymour Community Arts Centre at Seymour College at 12pm. Tickets are \$10 for an adult and \$5 for a child for the session. Good luck to our performers.

Medication at School

Under guidelines from the DET, any student who is to take **any** medication at school **must** have a completed Medical Authority Form, available from the office outlining the type of medication, dose and times and must be signed by a parent/guardian.

All medication is to be brought to Admin for safe storage.

No student is to have any type of medication in their school bag.

It is encouraged that where possible, students requiring antibiotics time the dosages so that they do not fall in school times.

Thank you

School Wide Positive Behaviour

Our focus for SWPB currently is Responsibility in the Toilets. As you can see from the photos - Leave the lights on when in the toilets!

We keep the walls, floors and toilet stalls clean.

We turn taps on, wash our hands and turn taps off.

Claire from Room 4 also thinks that it's important once you've been to the toilet to return to class quickly.
