Term 3, Week 3, Friday 31st July 2020

A word from Mrs Cooney.....

Remote Learning

Today is the end of the second week of remote learning. Thank you for the amazing work you are doing. Our staff have been working hard to produce video lessons and it is great to see so many students viewing these, sometimes more than once to support their understanding. Teachers are also conducting small teaching groups via webex to regularly engage with students in their learning. These webex meetings are really important to ensure the continued learning growth of our children. We appreciate you ensuring your child participates in these each week. We are all in this together and doing a great job!

So that we can continuously ensure we are engaging our students and catering for their needs we have sent out a google survey for our students to complete to provide feedback on their remote and flexible learning experience this term. Students in grade 3-6 have been sent the survey directly through Compass and parents of students in grade F-2 are asked to complete the survey with their child.

The Resilience Project

Last night we had the pleasure of listening to Martin Heppell's very engaging presentation on resilience. Martin had some key messages for us about the positive impact on our mental health of practicing gratitude, empathy, kindness and mindfulness. You can find some fantastic resources at TRP@home <https://theresilienceproject.com.au/at-home/>. Martin also produces a daily GEM TV program at 11am which focuses on student wellbeing. The program can be viewed any time after it has been recorded until the next day's episode goes to air.

Gratitude

Paying attention to the things that we have right now, and not worrying about what we don't have. We practise this by noticing the positives that exist around us.

Empathy

Putting ourselves in the shoes of others to feel and see what they do. We practice this through being kind and compassionate towards other people.

Mindfulness

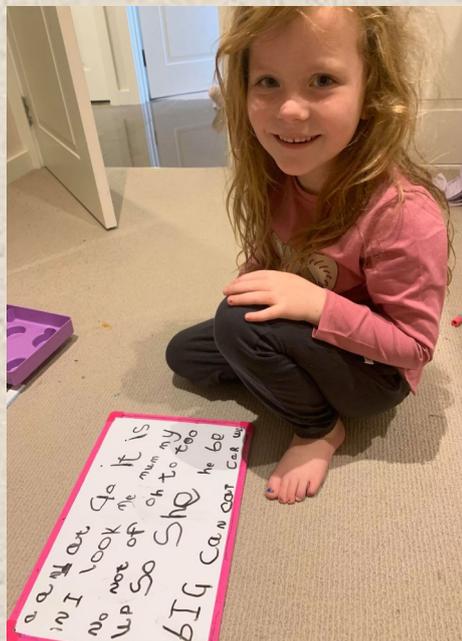

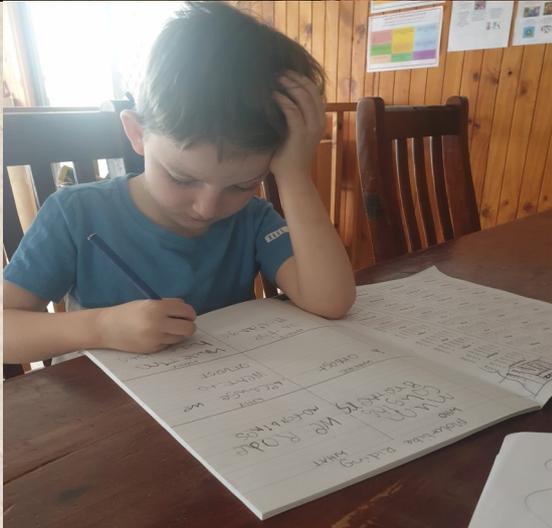

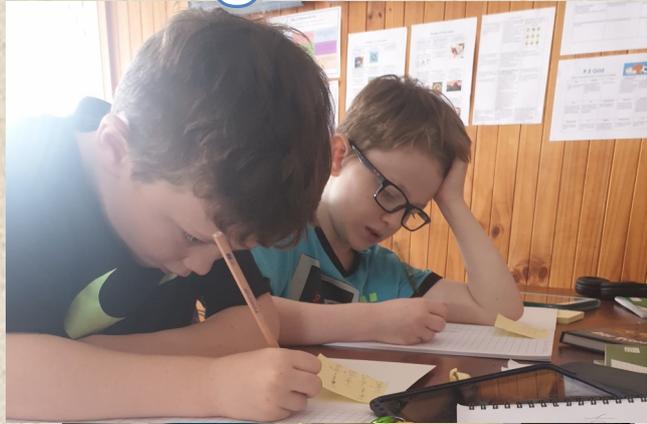

Our ability to be calm and present at any given moment. We practice this through slowing down and concentrating on one thing at a time. This could be our breathing, completing a colouring sheet or noticing the noises we can hear.

In the words of Martin, Be kind to yourself, you are awesome!"

Stay safe.

Jennene Cooney

Remote Learning In Action!

**3 WAYS TO
STAY SAFE WHILE
YOU'RE OUT**

Stay 1.5 metres
away from others

Wear a face
covering

Wash your
hands regularly

If you have symptoms, stay home.

Remote Learning From Our School Captain.....

Hi everyone it's Bailey your school captain here we are back in remote learning for the second time this year.

Unfortunately we cant change any of this I look forward to seeing all *of your* smiling faces at school as soon as we can.

It's been easier to adapt this time as we have been there before.

Thanks Bailey

SCHOLASTIC  **Book Club**

BOOK CLUB IS COMING!

We're really excited to have **BOOK CLUB** running this term! But, there are a couple of things we've had to do differently!

For this issue only it will be a **digital catalogue** rather than the printed catalogues you're used to receiving.

To find the catalogue, go to:

https://scholastic.com.au/media/5642/bc_520.pdf

Once you've made your selections, you can order through the LOOP page:

<https://mybookclubs.scholastic.com.au/Parent/Login.aspx>

You will still have access to the wide selection that Book Club has to offer.

Go to LOOP to place your order as normal by:

3/8/2020

Unfortunately as we are unable to receive the orders back to our school, you will need to have your order delivered to your home address for a fee of \$5.99.
