A word from Mrs Cooney.....

Here we are at the end of term 2. I can not believe how fast the year is flying! I would like to take this opportunity to thank you all - staff, students, family and friends, for your support over the term and for helping to make Broadford Primary School such a great place to work and learn.

Reports

This week our semester 1 reports were released on Compass and we held our Student Led Conferences. It was great to see so many families coming and sharing the learning their child has done so far this year. If you have any queries regarding your child's report please see their classroom teacher.

Fundraiser for Cambodia

What an amazing response we had last Friday to our out of uniform day to support the work Ms Henry is currently undertaking in Cambodia. Our financial contribution will help to provide Cambodian school children with the basic rights of safe water, the dignity of using a toilet and the simple practice of washing hands with soap that we take for granted. We raised over \$760 and Ms Henry can't wait to share what a difference this money will make when she gets back next term. Thank you for your generosity.

Grade 5/6 Expo

Yesterday our grade 5/6's held their travel expo where they presented the work they had done on a country of their choice. There was a marvellous array of countries on display with facts and food aplenty. Well done on a wonderful Expo.

Farewell

Today we farewell two staff members. Mrs Monica Bekema will be taking long service leave in semester two. I would like to thank Monica for the work she has done in the grade 3/4 area this year. Miss Nicole Lunn will be Room 4 for the remainder of the year. Heather Smith will also be leaving us to increase her days in the office at Pyalong Primary School. We will miss her calm and organised approach in the office. I wish you both good luck in your future ventures.

I wish you all a happy and safe two weeks and look forward to seeing everyone again on Monday the 15th July.

Mrs. Jennene Cooney

JSC and House Captain Update

On Thursday 13th of June, BPS student leaders went to Wandong Primary School to participate in the student leaders program. There were about 90 kids from other Primary Schools from the area, including Kilmore, Wallan and Upper Plenty. We did activities based around leadership, team work, non verbal communication and public speaking. We all had a great time meeting new kids and learning new things.

Incursions

BPS have two amazing shows coming in the first 3 weeks of Term 3, Whoo Hoo!

On **Monday 22nd of July** all students will be participating in a Workshop and Performance presented by African Beat.

African Beat presents an informative and highly interactive drumming performance by one of West Africa's top cultural troupes [The Salaka Ensemble](#). "Salaka" means "Sharing" in the Ga language of Ghana. The performance by visiting artists from Ghana immerses students in the rich culture and rhythms of Africa, in an entertaining and educational way. Best of all – it's hands on!

The students will learn a traditional African song to accompany the drumming rhythm and experience African dancing. Through the rich musical traditions shared by our incomparable African performers, the students will be transported to the tribal villages of Africa.

On **Monday 29th July** all students will be participating in Ned's Kindness Adventure. You may remember NED visiting last year, NEDs show sold many, many Yo Yo's, this year the Adventure is based on kindness and the experience will be a journey through Kenya. To support the show there will be items for sale at the Office which have been made in Kenya. All students will receive information relating to sale items at the beginning of Term 3.
