Please check our 'Dates to Remember' to keep informed at such a busy time of the year. We are also focused on student learning right up until the last bell of the school year.

We will be farewelling two of our long standing staff members, Anne Douglas and Monica Bekema, at a special assembly on Friday 6th December at 2.30pm. Working Bee Thank You

Last Friday a small but hard working group gathered for our working bee. As a result the sand pit has been refilled with sand and 10 metres of mulch was spread on our gardens. Thank you to those who were able to help and add to the work we are doing to beautify our school environment.

You may have noticed that our school oval is very dry at the moment. The pump used to water the oval is currently broken and will hopefully be fixed

Medication at School

All medication is to be brought to Admin for safe storage. No student is to have any type of medication in their school bag.
