## A word from Mrs Cooney.....

As term 3 comes to an end it is wonderful to reflect on and celebrate all the amazing events and learning that has taken place over the last 10 weeks.

Our students have had the opportunity to be involved in camps, excursions, incursions, sporting events and performances. These opportunities have enhanced the usual classroom program by offering additional experiences. Within classrooms students have been focused on the core subjects of literacy and numeracy and have enjoyed learning about social justice through our MAPPEN inquiry unit of study.

Over the last two weeks I have been amazed at the talent of our grade 5/6 students. Firstly those who performed at the Seymour One Act Play Festival on the 7<sup>th</sup> September and did an outstanding job (see page 3 for some photos) A special mention to Abby and Flynn who won best actor awards in their section.

The grade 5/6 performance of 'Cinderella and Rockafella' was fantastic and showcased the acting, singing and dancing skills of our students. Their hard work at learning lines, songs and choreography was evident in the polished performances they entertained the audiences with.

Today we started our day with the annual footy parade and we had a colourful array of footy teams represented.

Thank you to the Bendigo Bank for their donation of footy balls as prizes.

Thank you for your support throughout this term. Enjoy the holidays and we look forward to seeing you all back in term 4.

## Special Visitor

This week Adam Georgelin who was born with Spina Bifida came to Broadford Primary School to meet the 3/4s. He spoke to us about his challenge of wheeling his wheel chair on the rail trail from Tallarook to Mansfield. He also told us about the medal he won in the wheelchair grand final for the Richmond Tigers and that there are 10 players per team with 5 on the field at a time. We had the best time with Adam.

Chile, Cooper and Blake Room 1

We had the great privilege of having Adam Georgelin come and talk to us about overcoming challenges and following his dream of playing football. As a child he never had the opportunity to play any sports due to his disability, Spina Bifida. When he found out this was available, he joined the wheelchair football league and got drafted to the Tigers.

Having this opportunity has given him a new lease on life and he wanted to thank the organisations by raising money for them. He is hoping that by pushing along the Rail trail from Tallarook to Mansfield, over 3 days will help raise money for these causes.

## Student Leaders

On Thursday 12th of September, BPS student leaders met with other student leaders from our area at Kilmore Primary.

We worked on team building activities, like building balloon towers, we

created drawings as a group, got to know each other with questions, stepping stones with the group across the hall and untangling ourselves activity. The best thing about the day was meeting other leaders and making the balloon towers.

## Camp Lost Property

We have lots of lost property left over from the grade 3 Camp.

If you child anything behind please come to the office.

## Medication at School

Under guidelines from the DET, any student who is to take **any** medication at school **must** have a completed Medical Authority Form, available from the office outlining the type of medication, dose and times and must be signed by a parent/guardian.

All medication is to be brought to Admin for safe storage.

No student is to have any type of medication in their school bag.

**It is encouraged that where possible, students requiring antibiotics time the dosages so that they do not fall in school times.**

Thank you
