A word from Mrs Cooney.....

It has been an exciting two weeks at Broadford Primary School. In this week's newsletter you can read about our grade 5/6 inter school sports day that was held at Assumption College last Friday and the 3/4 excursion to Y Water. Yesterday our Foundation students were very excited to visit Ceres in Melbourne and our School Leaders participated in a Leadership day at Wandong Primary School.

Teachers are finalising end of semester student reports and students are preparing for their Student Led conference. These will take place on Tuesday 25th June. Normal classes will not run on this day and students only attend for their conference with their parents. Please make a booking time on Compass. Further details can be found in the newsletter.

Broadford Primary School Student Led Conferences

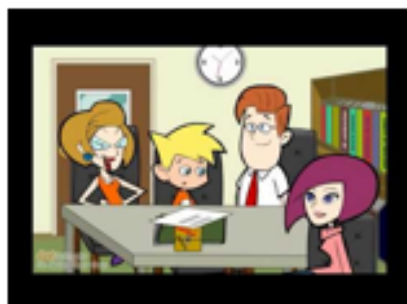

Tuesday 25th June 12pm – 7pm

On Tuesday 25th June our students and families will participate in Student Led Conferences. This is an opportunity for students to share their progress against their learning goals and for students and parents to discuss how the year has gone to date.

The purpose of a Student Led Conference is to:

- Celebrate growth in student's learning and achievements
- An opportunity for student's to articulate their learning and learning goals
- A chance for parents to engage in their child's learning
- Accountability for students, teachers and parents

Normal classes will not operate on this day. Children will only attend school for their conference with parents at their designated time.

Student Led Conferences are strictly 10 mins. If you require more time, please contact your teacher directly to make alternative arrangements. Please allow enough time to move from different classrooms. Contact the office if you need assistance.

Book your Conference on Compass

You can book your time on Compass for each child using the following links:

Autism Spectrum Australia

Thank you for participating in the Junior School Council Awareness Campaign and Fund-raiser for Autism Spectrum Australia, it was a pleasure seeing everyone getting involved.

Autism is a cause close to my heart, my brother was diagnosed with Autism a year ago and he is getting help he needs through organisations like Autism Spectrum Australia. We raised \$347.10. Always remember it is cool to be unique, let your true colours shine!

Out Of Uniform Day

The situation in Cambodia: children are still denied the most basic rights to safe water, the dignity of using a toilet and the simple practice of washing hands with soap.

In June/July, Ms Henry is helping to build a school a wash-house and raising funds to supply a toilet.

We encourage helping others. As we are helping children in Cambodia we invite you to come out of uniform on Friday 21st of June. (Gold coin donation)

Together we can help the children of Cambodia. Please click on the following links for more info.

Y Water Excursion—Grade 3/4

Things We Learnt:

Leave fallen trees in the river. Animals can use them for their homes. Jye

When it rains all the fertiliser, which was on the farms, flows into the rivers and streams and affect the water that we drink.

When white people came, they brought cows which kicked dirt into the rivers and streams.

Violet

We learnt that we have to conserve water by doing things like turning the tap off when we brush our teeth. Miss Harper.

When we use bottled water we use the earth's underground's emergency supply. Mrs Bekema

Grade 5/6 Interschool Sports Report

Last Friday (7th of June) students from grades 5/6 travelled to Assumption College Kilmore to participate in Mitchell District Inter-school sports. Students played netball, T-Ball, Soccer and AFL football. Well done to all those who participated. We all had a great day and our students demonstrated our school values of Respect, Responsibility, Readiness to Learn and Resilience.

Highlights from Soccer- Congratulations to Kieran D for dribbling the soccer ball the length of the field and then scoring a goal! It was legendary....and then he filled in for the T-Ball team.

Highlights from T-Ball- Playing against St Pat's Primary and the students allowing each other the home run instead of insisting that they were 'out'. Played in great spirit.

Highlights from AFL Football- Taylah M for kicking a freakish goal! Seeing the team morale so high.

Highlights from Netball- All netball girls played really well and it was great to see the girls who don't usually play netball have a go. Anita, Ella, Allannah P, Jordan were amazing. The smiles at the end of the day said it all.

The teachers were really proud of our students on the day.
